**Dear Sir:**

We regret that the "Station and Program Notes" numbers 81 through 85 did not reach you owing to an inadvertent error in the mailing division. These notes have been forwarded to you under separate cover and we trust have reached you by now.

Incidentally, it would be most helpful to us in keeping up-to-date the Canadian pages of our "Program Schedules" publication if our Broadcast Information Section could regularly receive a copy of the official CBC program schedules issued for the various international transmissions.

**Sincerely,**

**L. K. White**
